STAY AWAY FROM FALSE PROMISES FOR CREDIT REPAIR

We hear all the time how a member is contemplating paying someone to "FIX" their credit. This is a false promise and it will cost you money to pay them for services rendered. NO ONE but you can repair your credit. It takes time and it takes scrutinizing all your open accounts, collections, balances, etc... Don't pay anyone to basically send out a letter to a creditor and say they have tried to help repair your credit. You could have used whatever you paid to them to put towards one of your bills. We can help you get on the right financial track by going over your credit report with you and we do this for FREE!

BEFORE YOU BUY — Apply! (GET PREAPPROVED)

If you are thinking about purchasing a new/used auto, recreation vehicle, trailer, etc... Make it easier on yourself and get preapproved. Getting preapproved saves you time and money at the dealership. We will also save you money on GAP Insurance and Extended Warranties. Our loans are processed quickly and we have GREAT LOW RATES!

P.A.L.s (Payday Alternative Loan)

Have you ever found yourself needing a little "fast cash" for an unexpected bill, copayment or auto repairs? Our Payday Alternative Loans (PAL) are designed to help those that may find themselves in need of "fast cash" before payday rolls around. Don't go to the predators that will loan you money at ridiculous interest rates. Some rates are as high as 300%. Our six-month term, no credit check PAL will not break the bank. Call today and get the cash you need in a flash! Some restrictions apply.

Vacation LOANS

If you are planning a vacation let us help to make it a dream vacation. With our low rates, your dream vacation can become a reality. Planning ahead can save you hundreds! Fly to a tropical retreat, hit the mountains or do a "stay-cation" and explore all the fun things to do in our area. Some restrictions apply.

TRAVEL ALERTS

Keep us informed when you are traveling whether in the US or out of the country. Travel notifications can help minimize the chances of your debit/credit card being blocked or flagged for unusual activity...

Don't get stuck out of town without access to your account.
