Member Testimonial

By: Tommy Vigorito

I recently bought a truck using Virginia Beach Postal for financing. The process was smoother than I could have imagined, and I got pre-approved before I went out in search of a vehicle. The service was great and they responded to all my questions in a timely manner, and I had a LOT of questions. I found my truck, and within a day of test-driving it, I owned it. Overall, I give them five out of five stars. I will be a member for life!
